### **DETAILED ACTION**

Claims 1-12 are pending in this application.

#### ***Action Summary***

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.
2. The rejection of claims 1-4 under 35 U.S.C. 103(a) over Griffin is hereby withdrawn.
3. The rejection of claims 1-12 under 35 U.S.C. 103(a) over Griffin in view of Nelson is hereby withdrawn.
4. Claims 1-9 and 12 are rejected under 35 U.S.C. 103(a) over Nelson alone.

#### ***Response to Arguments***

5. Applicant's arguments filed August 13, 2002 have been fully considered but they are not persuasive.

Applicants argue that Basic and Clinical Pharmacology teaches that "Dextromethorphan \*\*\* is essentially free of analgesic \*\*\* properties." Therefore, the prior art of Nelson does not disclose the claimed invention. It is the position of the examiner that "essentially free of analgesic \*\*\* properties" does not mean it is completely free of or does not have analgesic properties. The other analgesics could enhance the properties of the dextromethorphan and thus increase its analgesic properties.

***Allowable Subject Matter***

6. Claims 10 and 11 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
